Operation Pumpkin
Hamilton | 12:00 - 6:00 pm

PROJECT LIFE

Project SEARCH

Project SEARCH and Project LIFE Reunion

Alumni representing more than 17 years of Butler Tech's Project LIFE and Project SEARCH graduates came together to celebrate their accomplishments and friendships! These programs aim to provide young adults with disabilities the opportunity to gain real-world work experience and independent living skills. Over the years, many talented individuals have graduated from these programs and moved on to successful careers and fulfilling lives. Special thank you to the Butler Tech Alumni Association for assisting with the event. We hope to make this an annual occasion.

Transforming lives by making our students
career ready and college prepared.
